Contracts Subject to Crop Out-turn.

N. L. WILLET SEED COMPANY

Georgia Grown Seed for Present or Future Contract Shipments.

Wholesale Contractors; and Manufacturers Soil Inoculating Bacteria.

Augusta, Georgia, January 25th, 1906.

WE PREPARE

NITROGEN FIXING BACTERIA

For Cow Peas, Velvet Beans, Sojas, Alfalfa, Garden Peas, Garden Beans, Red Clover, Crimson Clover, Vetches, Pea Nuts, Bur Clover, Japan Clover.

1-acre package $1.25; 2-acre package $2.25; 3-acre package $3.00, less 33⅓% to wholesale trade.

Also ½-acre packages for Garden Peas and Garden Beans, at 85c, less 33⅓% to the trade.

Our Bacteriologist, trained in Europe and America, with complete Bact. Laboratory, and with hot house for growing his host plants, is equipped as few men in the world are for growing cultures.

PRICE LISTS AND CATALOGUES.

Devote space to our **Nitrogen Fixing Bacteria** in your Catalogues and Price Lists. Will furnish the culture—packages with our name omitted, and ready for your own firm's stamp, if desired.

The profit to you is good, and these cultures, now commercial and portable, constitute possibly the greatest discovery of modern science. Most excellenf results now being reported from our spring inoculations. Out of over 300 reports as received by us, over 81 per cent. report great increase of crops and best satisfaction as regards its use.

Postage, seed rates, about 3c. per acre package.
